Pupil Premium Plan 2019-20

At Pirton Primary School we recognise that children face many barriers to their learning. It is part of our ethos to ensure that these are effectively and efficiently removed so that all children make good progress. An integral part of this work surrounds the use of our pupil premium money which is given by the government to support the education of children in receipt of, or who have received in the last 6 years (FSM6), free school meals (FSM). Children entitled to free school meals statistically do not achieve as well as others and we want to provide more opportunities to ensure this is not the case with our children.
