*Information from Mrs Driver*

**21<sup>st</sup> April 2022**

Over the Easter break, ground work has started for the new building work and the contractors have set up their compound. This does not impact upon the school greatly and the children can be interested in watching the building progress. We will keep you updated as the building work progresses.

I would like to take this opportunity to welcome Mrs Ellie-May Hulme to the staff team here at Pirton. Mrs Hulme will be teaching Kestrels for the summer term and already has lots of exciting things planned. I am sure you will all join me in welcoming Mrs Hulme to Pirton School and if you have a child in Kestrels, come and say 'hello' to her on the playground at the beginning or end of the school day.

Now that we are into the summer term, it is lovely to see summer uniforms being worn in school. We are still asking children to wear their PE kits to school on days they have PE but I would like to see the children wearing the correct school uniform on other days. If trainers are worn as school shoes, they should be plain black with no markings. Wearing a smart school uniform allows us to have non-uniform days. At our last one on the last day of term, we raised £110 for school funds. Thank you for supporting this!

PLATINUM JUBILEE  
CELEBRATION

We have been firming up plans for celebrating the Platinum Jubilee this summer. Most of our activities will take place in the week beginning 13<sup>th</sup> June 2022. Each class will be looking at a different decade during Her Majesty's reign. They are designing cards to send to her and, as previously mentioned, the children will all participate in a plate painting workshop. This will give every child a memento of the Platinum Jubilee.

We hope to be able to exhibit some of the work done and have a Jubilee tea party with everyone wearing red, white and blue on Thursday 16<sup>th</sup> June. As mentioned in a previous newsletter, if you are able to assist with the tea party, please let the school office know.

Don't forget our gardening day on Saturday 14<sup>th</sup> May  
10.00am - 2.00pm.  
Everyone welcome.

If you have any concerns about your child at school, please do not hesitate to make an appointment to come and see me.

Yours sincerely

*Mary Driver*
