Wednesday 13<sup>th</sup> July Kestrels & Owls Musical performance 6.30pm

Thursday 14<sup>th</sup> July - Transition Day

Friday 22<sup>nd</sup> July - 9.00 Y6 leavers Assembly

- Term Ends

We are having a focus on reading at the moment and the children are being encouraged to read a wide genre of material through their English work. This needs to continue at home with younger children reading every day and the older children keeping up regular reading practice. We have been reviewing our homework policy and the updated policy and provision will be available on the school website very soon.

As many of you saw this morning, today was an exciting writing day! A giant egg appeared on the school playground this morning so all lesson plans were abandoned and all the children used this as the focus for their work. We have had some wonderful work and it has shown that the children at Pirton have great imaginations!

Don't forget the gardening day on Saturday 14<sup>th</sup> May 10.00am - 2.00 pm. Everyone welcome! Please bring any gardening tools you may have!

We have noticed a few children creeping in late to school. It is rarely the children's fault so please help them get into school on time!

If you have any concerns about your child at school, please do not hesitate to make an appointment to come and see me.

Yours sincerely

*Mary Driver*
