Lunchtime cup

Robins were the class of the week at lunchtime for a big improvement in behaviour when lining up.

Attendance

Swifts had the highest attendance this week with 96%. This is a wonderful achievement for Swifts and makes it 5 weeks in a row for them. However 96% is still not as high as we would like to be aiming for. Sadly we have children across **every class** in the school with unauthorised absence this week. This means absence for reasons other than illness. The impact of this on learning and progress should not be underestimated. It is also unsettling for children to miss school and this should only be happening for illnesses, secondary school visits or for appointments that are scheduled for you.

Wrens: 93.21%

Robins: 92.67%

Swifts: 96%

Kestrels: 91.67%

Owls: 94.29%

Outside achievements

Peta (Swifts) achieved her Level 3 swimming certificate.
