### Lunchtime class of the week

Kestrels were the class of the week at lunchtime for always remembering their manners

## **Attendance**

Owls had the highest attendance this week with an excellent 97.86%. On days when classes were closed due to the strike, the children in those classes are obviously not recorded as absent. A different code is used, so that this does not affect the overall attendance figures for these classes. Unfortunately chicken pox is affecting attendance in some classes.

**Robins:** 85%

**Swifts:** 93.75%

**Kestrels:** 95.38%

**Owls:** 97.86%
