

Striving together for excellence and enjoyment

Friday 19th January 2024

Dear Parents/Carers of children in Wrens,

Whilst we are always willing to administer prescribed medicines or over the counter medicines for children where there is a need, we currently have a significant number of children in Wrens bringing in lip balms. If we hold a lip balm for your child, it will be sent home today with your child.

If any child needs lip balm for medical reasons or have visibly chapped lips, we will of course administer these in accordance with the guidance from the parent/medical practitioner. We will require paperwork to be completed. We will no longer be administering lip balms to children whose lips are not chapped.

We understand that the weather has been very cold, but hope that with the improving climate the children will no longer require lip balm during the school day.

Kind regards,

Mrs. Magdeburg

Headteacher
