Spring Term 2 - World Book Day. Summer Term 1 - Quizzes! Summer Term 2 - Sports Day.	Children will have an increased sense of belonging to their house. There will be an increased sense of unity within the house.
To act as role models for children within our house	In weekly meetings, information to be sensitively shared with house captains about children in their house who need further support with an aspect of school. We will take time to be role models for the children in our house.	Children in our houses will feel that we are happy to listen to them and support them. We will model all aspects of Pirton's 6Rs and Golden Rules through our behaviour.
To be visible members of the school in our capacities as young leaders.	We will be involved in taking visitors on school tours, speaking to governors and other important guests. We will write at least one entry for the Village magazine.	We will be a key part of the school team and will be confident ambassadors for our school.
