

Striving together for excellence and enjoyment

Wednesday 19th November 2025

Dear Parents and Carers,

On Wednesday 21st January 2026, Pirton School will be hosting a parent talk led by PAPAAYA (Parents Against Phone Addiction in Young Adults) in the School Hall at 7.30pm.

The session, Let's Talk About Our Kids and Their Tech, offers parents practical strategies for managing children's mental health and tech use. It covers the impact of smartphones and social media, helping families to set healthy boundaries and make informed choices. The session is non-judgemental, open for honest discussion and for adults only.

We will be inviting parents from St Ippolyts School and Wymondley JMI School to the event.

The children will be taking part in school workshops on a different day.

This letter is for information only – more details will be sent nearer the time.

Kind regards,

Mrs Jenn Magdeburg

Headteacher
