

## Striving together for excellence and enjoyment

Dear Parents/Carers of children currently in Years 4 and 5,

We offer children at Pirton School a residential trip when they are in Year 3 or Year 4 and again when they are in Year 5 or Year 6. Our fluctuating cohort groups means that sometimes we take year groups and other times we take one class, as we will do in March 2026.

This means that next academic year (2026/2027) we will be offering the trip to the children who will be in Year 5 and Year 6. This is unrelated to class organisation which is not yet confirmed. Your child will not be offered another residential trip during their time at Pirton School.

The trip will be 5 days (4 nights) and we are considering either offering the same trip as Owls are going on in March 2026 or a different location/package. The cost for the current Owls for their trip is £500. We hope to run the trip for a similar cost but this is dependent on coach prices and the numbers attended. The trip format is likely to be PGL with two days out. This year this is days out to Legoland and Longleat but this could change.

At this point, we are asking for you to return an expression of interest. There is no commitment.

For some of you with Year 5 children currently in Owls, your children are already attending the Year 5/6 residential this academic year. They are very welcome to go again, but we appreciate that having gone this year they may not want to take part in the same trip again and we also appreciate the high cost of attending twice. Children not taking part in the residential will attend school as usual.

**Therefore we ask you to complete the form below by Friday 30<sup>th</sup> January**, so that we can get an idea of the potential take-up of the residential next year.

[Residential \(Year 5 and 6\) 2027 – Fill in form](#)

If you have any further questions, or your answer is not an option on the form, please contact the School Office.

Kind regards

**Mrs Magdeburg**
