Communication

I will endeavour to send photos and an email back to school every day but this is dependent on internet connectivity.

Likewise, we will try to upload a blog.

During the trip, adults adhere to a code of conduct with regard to photos and videos which are taken on mobile phones for ease and to enable us to send them back to school via email. These photos and videos are removed from digital devices after the trip and countersigned for assurance. If you usually give photo consent, but do not wish for your child's photo to be taken in this way, please indicate this on the form.

If you do not usually give photo consent we will need this for this trip. We cannot assume consent.

In the event of an emergency at home, outside of school hours, please contact the school office via the urgent email (urgent@pirton.herts.sch.uk) and during school hours via (admin@pirton.herts.sch.uk)

If we need to contact you, we will phone you – day or night! Please leave mobile phones on with volume at all times.
