Class teaching arrangements – Falcons

Monday 16th March 2026

Dear Parents/Carers,

I am writing to give you an update on the teaching arrangements for Falcons from Easter 2026 onwards.

I am pleased to be able to tell you that we have secured a long term supply teacher from Monday 13th April. Her first teaching day with the class will be Tuesday 14th April when we return from the Easter break.

The teacher's name is Mrs. Nicole White and she is an experienced teacher and Assistant Head. Before becoming a supply teacher she was a permanent member of staff in schools across Hertfordshire including two schools in Stevenage and schools in Welwyn Garden City.

Mrs. White has been given a contract to teach Falcons for the entirety of the Summer Term. She will also be in school on Wednesday 25th March for a full day of handover with Miss McDonald. On Wednesday 25th March she will be available to meet with parents informally after school in Owls. We are using Owls classroom for this as the children will be on residential. It is just an informal pop in to say hello from 3.20 for fifteen minutes. Please come along if you can.

Miss McDonald will continue to teach the Falcons to release Mrs. White for Planning, Preparation and Assessment slot on Wednesday afternoons as she does now. I will also teach the class for 40 minutes each week so we will continue to be working with the class and alongside Mrs. White. Teaching Assistant arrangements remain unchanged.

I really hope that you will join me in extending a warm welcome to Mrs. White and I know that you will join me in supporting her as she settles into life at Pirton. Whilst she is only with us on a temporary basis for the Summer Term, this brings an experienced teacher to Pirton to give your children a strong end to the school year.

Kind regards,

Mrs. Magdeburg
