

Striving together for excellence and enjoyment

Dear Parents of children attending Pirton School in September 2026 onwards,

I am writing to you about our Clubs offer from September 2026. We are pleased to inform you that, as we have done this year, we will be providing **one free sports club** per academic year, to all children. We hope that every child will be able to take advantage of this free club. If there is something preventing your child from being able to take part, please do contact us and we will do our best to help.

This free after-school club is being funded by the Sports Premium - funding provided to primary schools to enhance the quality of PE and sports provision, including extracurricular activities. This funding can be used to develop a wider range of after-school clubs and activities, encouraging more pupils to participate and find sports they enjoy.

One free club per child per academic year will be able to be booked on Arbor from 7am on Wednesday 8th July. You can choose any of the clubs from the whole year. (Please do not book more than one club. If you book more than one club for the year, the extra clubs will be removed.)

Please ensure you book your one free club before the deadline of Monday 13th July 2026.

After this date, **the remaining places will be offered as paid places, priced at £5 each session, term by term.** So the paid clubs for the Autumn term will be available before the summer holidays, and the paid clubs for the Spring Term will be available later on during the Autumn term.

We will contact you again to let you know when these clubs will be available.

SPORTS CLUBS

	Club name	Day and time
