Striving together for excellence and enjoyment

Dear Parents/Carers,

One of the ways we wish to enhance the curriculum at Pirton School is through the provision of extra-curricular clubs.
The following free staff-led clubs are being offered in the upcoming terms.
If you wish your child to have a place in any of the clubs below, these will be available to book from **12noon on Friday 16th October until Wednesday 21st October** on Arbor. There is no cost.
Your child can apply for a place in as many clubs as you wish, but there will be a limit to the number of children who can attend the clubs.

All teachers run these clubs voluntarily and I would like to thank them for their commitment to the children by doing this.

Autumn Term 2
(These clubs will begin in the week beginning Monday 2nd November 2026)

Name of club	Adult leading the club	Day	Time	Additional information
